La siguiente traducción viene de la Revista **Messenger** (Mensajero), p.8 Julio 2017, de **La Conferencia de Canadá de La Iglesia Adventista del Séptimo Día**, donde El "Pastor" Josué Sanchez dice a los jóvenes que la homosexualidad no es pecado. Y note como en la página 9 (PDF p.6)—la sección de Los Niños, sutilmente nos presentan la foto de una Cotorra multicolor, con todo el colorido de Ide La Bandera Gay. Esto no es coincidencia, sino mas bien un mensaje subliminal para promover la agenda LGBT, de una manera abierta y directa.

## TEEN TALK — LOS JÓVENES HABLAN, p.8

**Q:** Should an openly gay person be able to speak up front or participate in any way up front at the church?

**A:** I don't see why not! **BEING GAY IS NOT A SIN.** It just means that a person is sexually attracted to people of one's own sex. Some are open about it; some prefer not to share it with the public at large.

The worship participants you see up front are selected by the local pastor, elders, and/or a worship committee. They select people who are in love with Jesus and who enjoy leading others to Him. They are not perfect, by any means, and they struggle with sin, as well.

Sometimes the worship participants find themselves between a rock and a hard place, when they shift from struggling with sin to willingly giving in. It's a challenge to lead others to Jesus when you're consciously going in the opposite direction! Oftentimes they ask to step down, and in other occasions they are asked to take a break. For example, one can go from genuinely struggling with recreational weed consumption to becoming a drug dealer. It makes a difference, right? Or an unmarried person (whether homosexual or heterosexual) could potentially struggle with waiting until marriage to be sexually intimate and becomes sexually active.

At the end of the day, whether we worship or lead worship, we need to have David's attitude: "Investigate my life, O God, find out everything about me; Cross-examine and test me, get a clear picture of what I'm about; See for yourself whether I've done anything wrong-then guide me on the road to eternal life" (Psalm 139:23, *The Message*).

**PREGUNTA:** ¿Se le debería permitir a una persona—abiertamente gay [HOMOSEXUAL], hablar o participar libremente de cualquier manera en el frente [plataforma], dentro de la iglesia?

**RESPUESTA:** No veo por qué no! **SER GAY NO ES PECADO.** Simplemente significa que una persona es sexualmente atraído por personas de su mismo sexo. Algunos son abiertos al respecto; algunos prefieren no compartirlo con el público en general.

Los participantes en la adoración que ves arriba en la palataforma, son seleccionados por el pastor local, ancianos, y/o un comité de adoración. Seleccionan a personas que están enamoradas de Jesús y que disfrutan llevando a otros a Él. No son perfectos, de ninguna manera, y luchan con el pecado, también.

A veces los participantes [EN LA PLATAFORMA] de la adoración se encuentran entre una roca y un lugar duro, cuando pasan de luchar con el pecado a consentirlo voluntariamente. ¡Es un desafío llevar a otros a Jesús cuando estás conscientemente yendo en la dirección contraria! A menudo se les pide que renuncien, y en otras ocasiones se les pide que tomen un descanso. Por ejemplo, uno puede pasar de luchar genuinamente con el consumo recreativo de marihuana a convertirse en un traficante de drogas. Hace una diferencia, ¿verdad? O una persona soltera (ya sea homosexual o heterosexual) podría estar llevando una lucha con esperar hasta el matrimonio para ser sexualmente íntimo y convertirse sexualmente activo.

Al final del día, si adoramos o dirigimos la adoración, necesitamos tener la actitud de David: "23 Examíname, oh Dios, y conoce mi corazón; Pruébame y conoce mis pensamientos; 24 Y ve si hay en mí camino de perversidad, Y guíame en el camino eterno." (Salmos 139:23 *El Mensaje*).

Briefly, this document is worth analyzing....

**First**, we see that the Canadian Conference of The Seventh Day Adventist denomination is out of the closet, with an straight forward message: **BEING HOMOSEXUAL IS NOT A SIN** (p.8) (PDF p.5), in the July edition of 2017.

**Second**, at the bottom of the last paragraph of the *Answer* section, we see how they subtly blend and put on the same level a heterosexual marriage with a homosexual marriage, pointing that whether your homosexual or heterosexual, you “could potentially struggle with waiting until marriage\* to be sexually intimate and becomes sexually active.” In other words, **the actual sin here would be fornication, having sex before marriage—and not homosexuality itself.**

Sarcastically, they put an asterisk at the end of the marriage brace, pointing to a footnote that says, “our church believes in marriage between a man and a woman,” with the proviso they also believe in the marriage between a man and a man, and a woman and a woman.

Also, note that they place the homosexual marriage before the heterosexual. This is very intentional, as they play with your mind to make it look like a gay marriage is something normal, and equal to the marriage between a man and a woman.

**Third**, and this is very telling, in page 9 (PDF p.6) which carries **the kids section**, they place an article, hosting very colorful parrot, which has all the rainbow colors—**THE GAY FLAG!** This is also intentional, and that goes to tell you that this satanic sect is out to get your young kids too.

**Forth**, and finally—but certainly not least, we have inserted a screen capture of the **Magazine** Section on their official website, and it clearly lays out that **THE GENERAL CONFERENCE** has a hold of this and other official publication of the Canadian Conference and The Seventh-day Adventist Church in general. This is important to not for those zombie-like SDA members that always trying to disassociate what the conferences, unions, divisions— and even local churches, do as a spate entity that’s not connect to the whole body, when sin has been exposed.

And if you don’t feel comfortable with the label of satanic we are giving the Seventh-day Adventist denomination, how would you name these actions... holy?

Brevemente, este documento vale la pena analizarlo....

**Primero**, aquí vemos que La Conferencia del Canadá de La Iglesia Adventista del Séptimo Día sale del closet, con un mensaje bien directo: **SER HOMOSEXUAL NO ES UN PECADO.** (p.8) (PDF p.5), en la edición de Julio del 2017.

**Segundo**, e la parte baja del último párrafo en la sección de *Respuesta*, vemos como sutilmente mezclan y pone el matrimonio homosexual al mismo nivel que el matrimonio heterosexual, señalando que—ya sea usted homosexual o heterosexual, “potencialmente, usted podría tener una íntima lucha interna para esperar hasta el matrimonio\* y llegar a ser sexualmente íntimo y convertirse en sexualmente activo.” En otras palabras, **el pecado aquí sería la fornicación, al tener sexo antes del matrimonio, y no la homosexualidad en sí misma.**

Sarcasticamente, ponen un asterisco al final de la palabra matrimonio, apuntando a una nota del pie de página que dice que “nuestra iglesia cree en el matrimonio entre un hombre y una mujer”. Aquí hay un doble mensaje, y es que sí, la corporación Adventista del Séptimo Día “cree en el matrimonio entre un hombre y una mujer,” con la salvedad de que también cree en un matrimonio entre dos hombres o dos mujeres.

**Tercero**, y esto es bien alarmante, y—como ya mencionamos mas arriba, en la página 9, ponen un artículo en la **Sección de Niños**, donde presentan una cotorra que lleva todos los colores del arco iris—**LA BANDERA GAY.** Esto también es intencional, and y nos deja saber—una vez más, que esta secta está lista para destruir los más pequeñuelos también.

**Cuarto**, y finalmente, pero ciertamente no menos importante, hemos insertado una foto de pantalla de la sección **MAGAZINE** (Revista) de la página web oficial de esta conferencia Canadiense, donde claramente nos dicen que **LA CONFERENCIA GENERAL** de La Iglesia Adventista del Séptimo Día tiene control de esta y las demás revistas de Esta Conferencia, así como también todas las demás publicaiones oficiales de la corporación. Esto e simportante notar, para aquellos miembros que son unos zombis y siempre quieren desacociar las acciones de una Conferencia, Unión, División, y aún una Iglesia local, de la iglesia como un cuerpo cuando el pecao es expuesto.

Y si usted no se siente cómodo (a) con el título de iglesia satánica que hemos dado a la Iglesia Adventista, **¿Cómo llamaría usted estas acciones... santa?**

Material Original al final.

## Scarlet Macaw

The largest of all parrots and probably the most colourful, the scarlet macaw may be the first bird that pops into your mind when someone says the word 'parrot.' With scarlet red feathers from head to tail and just enough blue and yellow for striking contrast, the scarlet macaw is just glorious. It's obvious that a great Artist designed this magnificent bird.

While flamingoes and other birds get their bright colours from colour pigments, or chemicals, in the foods they eat, parrots are different. Scientists have discovered that the chemicals that make the brilliant colours of parrots' feathers are found only in parrots and nowhere else on earth. But how did those chemicals form? And why are things in nature beautiful, anyway? Why does beauty exist?

### Think about it.

There is no evolutionary explanation for the beauty of the scarlet macaw. I believe the scarlet macaw and all the beauty that we see in nature is solely for the glory of God. The Reformers taught that the ultimate reason for all things is the glory of God (soli Deo gloria). His work in you through the Holy Spirit, His loving patience with you, His gift of salvation to you, and His offer to make you over in His image (sanctification) is all for God's glory.

### Do it!

Next time you are faced with the ugliness of sin in your life humbly cooperate with the Holy Spirit as He works to make you more like God. Remember, it is all for God's glory, which you will have a share in someday soon (see Rom. 8:17).
